This is to certify that

Youth Advocate Programmes Ireland

is an

Investing In Children Partner

Investing in Children is concerned with the human rights of children and young people. In particular, Investing in Children works to ensure that children and young people have a voice, and are able to influence the services they use.

Youth Advocate Programmes Ireland has demonstrated that it has:

- *A clear commitment to promoting the human rights of children and young people.*
- *A robust development plan to support children and young people's voices to be heard in services used by them.*
