Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for my audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As described in the Statement of Trustees' Responsibilities, the charitable company's trustees are responsible for the preparation of the financial statements in accordance with applicable law and the accounting standards issued by the Financial Reporting Council (Generally Accepted Accounting Practice in Ireland).

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you my opinion as to whether the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, and are properly prepared in accordance with the Companies Acts 2014 and 2016. We read the Trustees' Annual Report and consider the implications for our report if we become aware of any apparent misstatement within it.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for my report.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charitable company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error.

In forming our opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

1. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared in accordance with the Statement of Recommended Practice (Charities SORP in accordance with FRS 102, effective January 2015) and with generally accepted accounting principles in Ireland and Irish statute comprising the Companies Act 2014. They comply with the financial reporting standards of the Accounting Standards Board, as promulgated by Association of Chartered Certified Accountants. The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charitable company's financial statements

Incoming Resources

Income is recognised in the period that it is received or where the company is reasonably certain that the income will be received and the value can be measured with sufficient accuracy.

Interest income is recognised in the period in which it is earned.

Resources Expended

All resources expended are accounted for on an accruals basis. Charitable activities include costs of services and grants, support costs and depreciation on related assets. Costs of generating funds similarly include fundraising activities. Non-staff costs not attributed to one category of activity are allocated or apportioned pro-rata to the staffing of the relevant service. Finance, HR, IT and administrative staff costs are directly attributable to individual activities by objective. Governance costs are those associated with constitutional and statutory requirements.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Fixtures, fittings and equipment

20% Straight line

The carrying value of tangible fixed assets is reviewed for impairment if events or changes in circumstances indicate that the carrying amount value may not be recoverable. Under Irish GAAP impairment is assessed by comparing the carrying value of the asset with its recoverable amount (the higher of net realisable value and value in use). Net realisable value is defined as the amount at which an asset could be disposed net of any direct selling costs. Value in use is defined as the present value of the future cash flows obtainable through the continued use of an asset including those expected to be realised on its eventual disposal.

Leasing

Rentals payable under operating leases are dealt with in the income and expenditure account as incurred over the period of the rental agreement.

Taxation

The company is exempt fron corporation tax due to the company being a charity.
